### LETTER FROM PRESIDENT KATHERINE VAN DELL

Spring is in the air, the sun is brightly shining, and robins are appearing. What a wonderful time of year. Once again I cannot believe how fast the months have gone by. It seems like only yesterday I began as your president and now I am looking at completing my term at the end of next month. I have thoroughly enjoyed it.

I am so proud of each and every one of you. It has been quite the year with the pandemic. Luckily, we have been able to hold the majority of our meetings face-to-face. It is so much nicer to meet in person and participate in active dialogue. My thanks to those of you that were able to attend the Board and General Membership meetings this year.

On March 12, I finally learned how to play Bunco and I'm hooked. Our Big Bunco fundraiser on Saturday, March 12, was very successful and the 70+ attendees thoroughly enjoyed the afternoon. Thank you, Karen Lee and Carolyn Turbiville, for all your hard work to assure this event was successful. So much goes into preparing for a fundraiser -- tickets, fliers, instructions were first; next collecting door prizes; working with the Moose with the help of members who are Moose members to have the room set up as needed; members providing snacks/treats; and then members who helped that day. Thank you to the members that sold tickets and to those that donated, and believe in what we do. A lot of work, a lot of fun! I am looking forward to next year.

On April 29-30, the GFWC Wyoming State Convention will take place in Thermopolis at the Hot Springs Hotel and Spa. I hope to have good representation from our club as it will be a fun time with worth-while workshops and information sharing. Mary Beth Williams, GFWC Treasurer will be in attendance, providing greetings and information from GFWC. QPR Training, with Grace For 2 Brothers will be held on Friday 8:30-11:30 a.m. and a Mini LEADS workshop will be at the Dinosaur Museum from 12:00 to 3:15 pm. The convention will be called to order at 3:35 p.m. Friday night features a Pajama Party sponsored by the GFWCW Board. Bring your jammies!! Saturday is a full day concluding with the banquet and installation of newly elected officers. We're proud to have Trish Peoples, our very own member, as 2022 – 2024 state president! Following the banquet, a reception will be held in her honor.

## UNICEF for Ukraine

Instead of donating to St. Jude this month, I asked the Board if we could donate to UNICEF for Ukraine. They agreed to support this endeavor. GFWCW is asking for donations and what X-JWC collects will be forwarded to the state. Since I am the state treasurer, I am keeping track of donations and will be forwarding them to UNICEF for Ukraine. This has been featured in the last two editions of the GFWC News & Notes. Please see the recent edition I forwarded to you. All funds collected will go toward helping the children of Ukraine. There is a massive need as there are millions of refugee children who need help. Thank you in advance for any donation you can give to this cause.

### REMINDER: DUES ARE DUE!! \$38 payable to X-JWC.

Membership chairman Cindy Hardesty will be collecting dues at the meeting. Or send to Treasurer Phyllis Salzburg, 5021 King Arthur Way, Cheyenne 82009.

### \*GFWC SIGNATURE PROGRAM – Child Abuse Prevention

**April is Prevent Child Abuse Month.** “Growing a Better Tomorrow for All Children, Together” is the theme of the campaign this year. Throughout April, Prevent Child Abuse Wyoming, affiliates, and stakeholders are using a community garden metaphor to reinforce the message that “every day, we help families and children thrive.” “We work hard in Wyoming and we are proud of our western ways! **In Wyoming, we invite you to wear blue every Thursday in April.** Every Friday in April, we invite you to wear your boots (work boots, cowboy boots, rain or snow boots) and plant seeds of support for all Wyoming children to yield healthier adults with abundant futures.” If you still have your pinwheel lapel pin, wear it this month and show your support!

Did you know **Habitat for Humanity** now works in all 50 states in the U.S. and in more than 70 countries and has helped more than 39 million people achieve strength, stability and independence through safe, decent and affordable shelter?

**Habitat ReStore** -- The ReStore exists to support the mission of Habitat for Humanity of Laramie County, generating revenue to cover overhead expenses for the organization. That way, all donations to Habitat can go directly into building and repairing houses. When cleaning, remodeling or moving, you often run into household items you no longer use, but that are still in great condition. Whether it be items like the windows you just replaced or an old TV, you may wonder, "Should I donate this?"

While you may not be able to donate certain items like mattresses, Habitat ReStore generally accepts a variety of items. Household items and home goods from kitchenware to cabinets are just a few of the types of donations you can offer Habitat ReStore.

**\*EDUCATION AND LIBRARIES Carolyn Turbiville, Chairman**

**My Library Poem By Verda One**

1 It's only a room with shelves and books,  
but it's far more magical than it looks

2 It's a jet on which I soar  
to lands that exist no more.

3 Or a key with which I find  
the answers to questions crowding my mind

4 Building my habit of learning and growing,  
asking and researching until I reach knowing.

5 Here, I've been a mermaid and an elf  
I've even learned to be more myself,

6 I think that I shall never see  
a place that's been more useful to me.

7 With encouraging kind friends with wit  
Who tell me to dream big and never quit.

8 It's only a room with shelves and books.  
But its far more magical than it looks.
