Important Notice!

We have a slate of uncontested officers. I am including a ballot in this newsletter with an approval vote for the officers and included proposed budget. Please mail it back to Marcia Volner, call her or text or e-mail her your vote by April 10th. Installation will be in May if we are able to have it at that time.

State Convention Cancelled! Hopefully we can reschedule a one-day event in May for election, installation, and contests.

If we want to continue yard sales and farmers market, we need people to sign up to be in charge as well as people to help. Please contact Marcia 389-8388 if you can do this. Otherwise these will be discontinued.

Let us know if you need the yearbook emailed or mailed to you.

The board will re-evaluate suggested places to donate money after this isolation period is over and see where our money might be most needed at that time. April will go ahead and purchase pin-wheels to place at head start to remind everyone that children are entitled to a care-free childhood, part of a nation-wide program. This has been approved by the board.

Our Soles4Souls Shoe Count for 2020

Cindy Moore will be our new Sunshine person!

Please remember the family of Charlette Larson as they deal with the loss of Charlette as do all of us.

Please remember the family of Sandy Brooks in the loss of her father.

Thought for all of us. Betty Jean had a wonderful idea and I am sharing it with all.

Some of us are feeling the isolation more than others. A phone call to a fellow member might be the very thing they need to raise their spirits. We are a group of women not only dedicated to helping the community butt supporting each other.
