Important Notice!

We are approaching the time to select new officers for the club for the next year. Our nominating committee is composed of the 3 section leaders for busy hands, literature and garden. There is a chairman which the president appoints. If you would like to volunteer for this chairmanship please let Marcia know 389-8388.

Also please let people on the nominating committee know of your interest in being an officer. The elected positions are President, Vice President, Secretary, Treasurer, Correspondence Secretary and Auditor. We need these positions filled to continue as a club.

If we want to continue yard sales and farmers market, we need people to sign up to be in charge as well as people to help. Please contact Marcia 389-8388 if you can do this. Otherwise these will be discontinued.

Yearbooks are completed and ready for pick-up at any meeting. Let us know if you need the yearbook emailed to you. Also, let Marcia know of any corrections.

Another Opportunity - LEADS

The General Federation of Women's Clubs has an opportunity for one member from each state to attend a Leadership training that occurs one day before the international convention in Atlanta, Georgia. The convention is June 27 through July 1. If you are interested in having your name submitted to the state for this opportunity please let Marcia, 389-8388, know as soon as possible. The state provides \$250 to the person selected by the state to attend.

We will be considering where we would like to donate our money earned over the past year at the next meetings. Please submit any suggestions to one of the board members for discussion at our board meetings. Following board discussion, we will have general vote for the final approval of these donations.
