HELLO MEADOWLARKS!!

I have happily taken over our quarterly newsletter from Starla. She asked if anyone would be willing, so I took the helm. BRRR, cold out today, we have -7 on the calendar. March came in warm and like a lamb but the lion is showing his fangs this week.

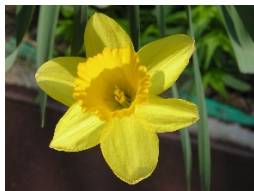

So, first I'd like to announce our 3 month birthdays. For January we have Trish Peoples and Mary Lee Dixon. Darlyn Tucker is a February baby. And March is yours truly.

Some of us have been very busy preparing and planning for the State convention we are holding April 29 and 30. We hope to see you attend. Our own Karen Kent is running for Vice President. I think the event is going to be a fun time so please think of joining us. There is car pooling available from Cheyenne. The Call to Convention will be out very soon and Barb will send it to all.

In February some of our members got together and baked and decorated cookies for the airmen living in the dorms at FE Warren AFB. Check out the Newsblast when it comes out for a pic. They are really pretty.

Don't forget March is Women's History Month, so give yourself a pat on the back for being the wonderful women you are. March has two zodiac signs Pisces (Fish), and Aries (Ram). The birthstones are Aquamarine representing the sea and water; and the Bloodstone, which is a dark green cabochon with red spots of iron oxide. The red spots are known to bring good strength and health to the wearer. Daffodils are the flower of March and is known for new beginnings. In fact March represents new beginnings since Spring happens in March. March 12 is Plant a Flower day so give yourself some cheer and plant a Daffodil.

We will be planning some good projects this year so I hope to see you all now and then at them.

Stay Safe & Healthy – Cheers, Flo

PS If you have news for the newsletter or if there is something you'd like to see contact me.
