## MARCH 2023 MEADOWLARKS NEWSLETTER

*It's finally Spring this month??? We've had a difficult winter. Cold. Wind. Snow.*

*And as I'm writing this, it's snowing at my place. It just seems like it's hanging around forever. But most of the birds are coming back, the geese are pairing up, they will soon be building nests, singing, and it's a happy time of year.*

*Renewal !!!*

*BIRTHDAYS!!! In January we had Trish and Mary Lee. February was*

*Darlyn, and March is yours truly and Carmalee. HB to all.*

*For those of you who may not know, our new slate of Officers took over in January. They are elected in November and seated in January. Please welcome Patty Benskin as our new President. I am the Vice President, Karen Kent is the Secretary, and Julie Gliem is the Treasurer. Thank you Ladies for your service.*

*Patty wants to hold a club meeting in March to catch up and do some planning, so please be looking for that email announcement. Please make an effort to attend the meeting.*

*Some Lark members got together on Feb 11 to decorate cookies for the airmen in the dorms at FE Warren AFB. We had a fun time.*

*Some fun facts about our months since our last Newsletter.*

*January - named after the Roman God of gates and doorways. The birthstone is Garnet which comes in many colors but Red is the most valuable. It represents love, faithfulness and constancy. The Carnation is the birth flower, and Capricorn and Aquarius are the zodiac signs. Capricorn like the goat is obstinate and willful. Aquarius is more "go with the flow" mentality.*

*February – from the Latin word Februum, which means purification and is one of the most misspelled words in the English language. Of course we know Valentine’s Day falls in February, but it also has been Black History Month for over 40 years. The birthstone is Amethyst, and the flower Primrose. Zodiac signs are Aquarius and Pices.*

*March – Comes in like a Lion and goes out like a Lamb. It’s named for the Roman God of War. International Woman’s Day is the 8<sup>th</sup>. The birth flower is the daffodil, and the signs are Pices and Aries. And in 1912 the Girls Scouts were founded and Coco Cola was invented in 1886. The first telephone was patented by Alexander Graham Bell in 1876 and Monopoly was invented in 1933.*

*Happy March and our next Newsletter will be published in June. Until then, thank you for being members of the Meadowlarks. Hope to see you all soon.*
