GENERAL FEDERATION of WOMEN'S CLUBS *Living the Volunteer Spirit*

www.gfwc.org

September has quickly arrived and the beginning of a new club year. I look forward to catching up with everyone at our September meeting. Thank you to those who took offices and Department Chairs and to all the members who jump right in and help. It truly takes a village to accomplish all our goals. Many have been busy over the summer months preparing for our club meetings and activities. If you are not serving on a committee, please consider signing up. Many hands make easier work, and we can find a spot where your skills and talents can be used. We are off and running, cheers to a new club year!

20-year History Committee

Things to Remember

DONATIONS NEEDED:

Interfaith has a need for plastic bread loaf tabs and large veggie ties (the kind with a square label in the wire). These are used to help drivers deliver the correct grocery bags for home-bound clients. Egg cartons and spices are always needed. Thanks for your help!

Thank-you.

Student Support Services (Homeless Students)

Homeless students continue to need help. If your budget can handle an extra hygiene

product from the list below, please bring items to our meeting. We will take items to the Middle School where they are always gratefully accepted and used. Lisa Theis our Student Support Team Liaison is asking for these items: Any kind whether marked to females or males is appreciated: shampoo, conditioner, body wash, toothpaste, deodorant – regular or travel size, hairbrushes, hair ties. Thank-you!

Annie Nelson.

NU2U

Don't forget that you can still contact Ina to get clothing and such donations to NU2U for sale. The money earned through this program is funding our departments. This is one way that you can continue to support LWC all year long!

Pop-top Tabs:

Please save those little metal tabs on soups, sodas, etc. and drop them off at a meeting. Ronald McDonald house will take them (in big batches) and it supports a family's one-night stay.

Craft Group

The Craft Group will meet every Monday, except Federal Holidays from 1:00 – 3:00 p.m. at the Alice Hardie Stevens Center. Once per month the Executive Board and the Craft Group will share the building. No skills needed, just a desire to have some fun. If you have an idea, be a leader or co-leader of the project. All are welcome even if you can only come for a short time. See you soon!
